Friendship Circle is like a big family. You build relationships and bonds with all the kids. You can see how kind and caring everyone is. I enjoyed my experience at Friendship Circle and really got close to all the kids and counselors. Friendship Circle has become one of my hobbies and it has become my family

Friendship Circle has changed our lives, but most importantly Noah's life. In a world full of judgment, the Friendship Circle gives him the opportunity to feel welcomed and accepted.

This year, I continued with Friends at Home and I love going to Sunday Circles. The biggest reward is seeing the smiles on the kids faces.

Yisroel has the absolute BEST time every time he attends a Friendship Circle event! The smile he has on his face when I pick him up is priceless. Friendship Circle gives him a space to feel safe, loved, and accepted by friends who truly care for him.

When you step into Friendship Circle, you see children of all abilities. Not one child looks at another child with a negative eye; there is just love for the other: no jealousy, no grudges, no fighting. The Friendship Circle world to me is now family I love and adore, and cherish. It's an honor and privilege to be a part of it. It's brought so much meaning to my life in such an authentic way.

Thank you Friendship Circle <3
